The Battle for
Ronodo

Emily Rodda

Emily Rodda's first book, *Something Special*, was published in 1984. It marked the beginning of a career that has seen her become one of the most successful, prolific and versatile writers in Australia. She has written or co-authored well over fifty books for children, and as Jennifer Rowe (her real name) she writes popular mystery novels for adults. Her children's books range from picture books to novels for teenagers, and include the award-winning Rowan series and the outstandingly successful Deltora Quest fantasy series. Winner of the Children's Book Council of Australia's Book of the Year (Younger Readers) Award a record five times, she seems to know instinctively what children want to read.
