*Nobody knows where they come from.  
But they come.  
Impossible birds of the big sky  
and the long night...*

# Tohby Riddle

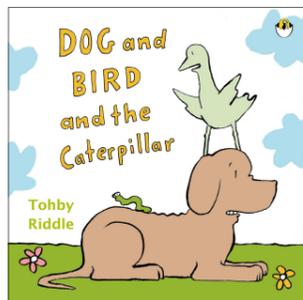

Tohby Riddle writes and makes picture books and cartoons. He loves doing these things.

His books include picture books such as *Nobody Owns the Moon*, *The Great Escape from City Zoo*, *The Singing Hat* and *The Royal Guest*; and cartoon books *What's the Big Idea?* and *Pink Freud*.

Tohby lives near Sydney, Australia with his family and sometimes entertains the idea of owning a donkey ...

Because Tohby feels sure that his memory isn't perfect he keeps a notebook nearby at all times. He doesn't want to forget any ideas that come to him so he scribbles all kinds of things into this notebook.
